**COMPLAINT**

Plaintiff, MOOMIN CHARACTERS OY LTD. (“Plaintiff”), by undersigned counsel, hereby complains of the Partnerships and Unincorporated Associations identified in Schedule A attached hereto (collectively, “Defendants”), and hereby alleges as follows:

**JURISDICTION AND VENUE**

1. This Court has original subject matter jurisdiction over the claims in this action pursuant to the provisions of the Lanham Act, 15 U.S.C. § 1051 et seq.; 28 U.S.C. § 1338(a) - (b) and 28 U.S.C. § 1331. This Court has jurisdiction over the claims in this action that arise under the laws of the State of Illinois pursuant to 28 U.S.C. § 1367(a), because the state law claims are so related to the federal claims that they form part of the same case or controversy and derive from a common nucleus of operative facts.

2. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, and this Court may properly exercise personal jurisdiction over Defendants since each of the Defendants directly

targets consumers in the United States, including Illinois, through at least the fully interactive commercial Internet stores operating under the Defendant's Online Marketplace Accounts identified in Schedule A attached hereto (collectively, the "Defendant Internet Stores"). Specifically, Defendants are reaching out to do business with Illinois residents by operating one or more commercial, interactive Internet Stores through which Illinois residents can purchase products bearing counterfeit versions of Plaintiff's MOOMIN Trademarks. Each of the Defendants has targeted sales from Illinois residents by operating online stores that offer shipping to the United States, including Illinois, accept payment in U.S. dollars and, on information and belief, has sold products bearing counterfeit versions of Plaintiff's federally registered trademarks to residents of Illinois. Each of the Defendants is committing tortious acts in Illinois, is engaging in interstate commerce, and have wrongfully caused Plaintiff substantial injury in the State of Illinois.

## **INTRODUCTION**

3. This action has been filed by Plaintiff to combat e-commerce store operators who trade upon Plaintiff's reputation and goodwill by offering for sale and/or selling unauthorized and unlicensed products using infringing and counterfeit versions of Plaintiff's federally registered trademarks (the "Counterfeit Products").

4. Defendants created numerous Internet Stores and designed them to appear to be selling genuine products licensed by Plaintiff ("Plaintiff's products"), while selling inferior imitations of Plaintiff's products. Defendant Internet Stores share unique identifiers, such as design elements and similarities of the counterfeit products offered for sale, establishing a logical relationship between them and suggesting that Defendants' illegal operations arise out of the same transaction, occurrence or series of transactions or occurrences. Defendants attempt to avoid

liability by going to great lengths to conceal both their identities and the full scope and interworking of their illegal counterfeiting operation. Plaintiff is forced to file this action to combat Defendants' counterfeiting of Plaintiff's registered trademarks as well as to protect unknowing consumers from purchasing unauthorized products over the Internet. Plaintiff has been and continues to be irreparably damaged through consumer confusion, dilution, and tarnishment of its valuable trademarks as a result of Defendants' actions and seeks injunctive and monetary relief.

5. This Court has personal jurisdiction over each Defendant, in that each Defendant conducts business in Illinois and in this Judicial District, and the acts and events giving rise to this lawsuit of which each Defendant stands accused were undertaken in Illinois and in this Judicial District. In addition, each Defendant has offered to sell and ship infringing products into this Judicial District.

11. The MOOMIN Trademarks have been continuously used and never abandoned.

### **THE DEFENDANTS**

16. Defendants are individuals and business entities who, upon information and belief, primarily reside in the People’s Republic of China or other foreign jurisdictions. Defendants conduct business throughout the United States, including Illinois and within this

Judicial District, through the operation of the fully interactive commercial websites and online marketplaces operating under the Defendants' Internet Stores. Each Defendant targets the United States, including Illinois, and has offered to sell and, on information and belief, has sold and continues to sell counterfeit products to consumers within the United States, including Illinois and this Judicial District.

### **THE DEFENDANTS' UNLAWFUL CONDUCT**

The success of Plaintiff's brand has resulted in its counterfeiting. Plaintiff has identified numerous online marketplace accounts linked to fully interactive websites and marketplace listings on platforms such as iOffer, eBay, Amazon, Walmart, Temu and Wish, including the Defendants' Internet Stores, which were offering for sale, selling, and importing counterfeit products to consumers in this Judicial District and throughout the United States. Defendants have persisted in creating the Defendants' Internet Stores. Internet websites like the Defendant Internet Stores are estimated to receive tens of millions of visits per year and generate over \$135 billion in annual online sales. According to an intellectual property rights seizures statistics reports issued by Homeland Security, the manufacturer's suggested retail price (MSRP) of goods seized by the U.S. government during 2024 exceeded \$5.4 billion. According to a 2021 study on the impact of the sale of fraudulent goods entitled "The Counterfeit Silk Road - Impact of Counterfeit Consumer Products Smuggled into the United States" (the 2021 study), Internet websites like the Defendant Internet Stores are also estimated to contribute to over 653,000 lost jobs for legitimate businesses and broader economic damages such as lost wages in an amount over \$36 billion and a loss of federal and state tax revenue of over \$13.5 billion every year.

17. Upon information and belief, Defendants facilitate sales by designing the Defendants' Internet Stores so that they appear to unknowing consumers to be authorized online retailers, outlet stores, or wholesalers selling genuine products. Many of the Defendants' Internet Stores look sophisticated and accept payment in U.S. dollars via credit cards and eBay, Amazon, Walmart, Temu and Wish. Defendants' Internet Stores often include images and design elements that make it very difficult for consumers to distinguish such counterfeit sites from an authorized website. Defendants further perpetuate the illusion of legitimacy by offering "live 24/7" customer service and using indicia of authenticity and security that consumers have come to associate with authorized retailers, including the McAfee® Security, VeriSign®, Visa®, MasterCard® and PayPal® logos.

18. Plaintiff has neither licensed nor authorized Defendants to use its MOOMIN Trademarks and none of the Defendants are authorized retailers of its genuine products.

19. Upon information and belief, Defendants deceive unknowing consumers by using the Plaintiff's MOOMIN Trademarks without authorization within the content, text, and/or meta tags of its websites to attract various search engines looking for websites relevant to consumer searches for Plaintiff's products. Additionally, upon information and belief, Defendants use other unauthorized search engine optimization (SEO) tactics and social media spamming so that the Defendants' Internet Stores listings show up at or near the top of relevant search results and misdirect consumers searching for Plaintiff's genuine products. Further, Defendants utilize similar illegitimate SEO tactics to propel new online marketplace accounts to the top of search results after others are shut down.

20. Defendants go to great lengths to conceal their identities and often use multiple fictitious names and addresses to register and operate their massive network of Internet Stores. For

example, many of Defendants' names and physical addresses used to register the online marketplace accounts are incomplete, contain randomly typed letters or fail to include cities or states. Other online marketplace accounts use privacy services that conceal the owners' identity and contact information. Upon information and belief, some of the tactics used by the Defendants to conceal their identities and the scope and interworking of their counterfeit operations to avoid being shut down include regularly creating new websites and online marketplace accounts on various platforms using the identities listed in Schedule A to the Complaint, as well as other fictitious names and addresses.

21. Even though Defendants operate under multiple fictitious names, there are numerous similarities among the Defendants' Internet Stores. For example, some of the Defendants' websites have identical layouts, even though different aliases were used to register the respective online marketplace accounts. In addition, the counterfeit products for sale in the Defendants' Internet Stores bear similarities and indicia of being related to one another, suggesting that the counterfeit products were manufactured by a common source and that Defendants are interrelated. The Defendants' Internet Stores also include other notable common features, including use of the same online marketplace account registration patterns, unique shopping cart platforms, similar payment and check-out methods, meta data, illegitimate SEO tactics, HTML user-defined variables, domain redirection, lack of contact information, identically or similarly priced items and volume sales discounts, similar hosting services, similar name servers and the use of the same text and images.

22. In addition to operating under multiple fictitious names, Defendants in this case and defendants in other similar cases against online counterfeiters use a variety of other common tactics to evade enforcement efforts. For example, when counterfeiters like Defendants receive

notice of a lawsuit, they will often register new online marketplace accounts under new aliases and move website hosting to rogue servers located outside the United States once notice of a lawsuit is received. Rogue servers are notorious for ignoring take down demands sent by brand owners. Counterfeiters will also ship products in small quantities via international mail to minimize detection by U.S. Customs and Border Protection. The 2021 study indicated that the Internet has fueled explosive growth in the number of small packages of counterfeit goods shipped through the mail and express carriers. This growth closely correlates to the growth of the ecommerce industry which now make up 15.4% of all retail transactions as reported by the Census Bureau of the U.S. Department of Commerce.

23. Further, counterfeiters such as Defendants typically operate multiple credit card merchant and eBay, Amazon, Walmart, Temu and Wish accounts behind layers of payment gateways so that they can continue to operate in spite of Plaintiff's enforcement efforts. Upon information and belief, Defendants maintain offshore bank accounts and regularly move funds from their eBay, Amazon, Walmart, Temu and Wish accounts to offshore bank accounts outside the jurisdiction of this Court. Indeed, analysis of eBay, Amazon, Walmart, Temu and Wish transaction logs from prior similar cases indicate that offshore counterfeiters regularly move funds from U.S.-based eBay, Amazon, Walmart, Temu and Wish accounts to China-based bank accounts outside the jurisdiction of this Court.

24. On information and belief, Defendants are in constant communication with each other and regularly participate in QQ.com chat rooms and through websites such as sellerdefense.cn, kaidianyo.com and kuajingvs.com regarding tactics for operating multiple accounts, evading detection, pending litigation and potential new lawsuits.

25. Defendants, without any authorization or license from Plaintiff, have knowingly and willfully used and continue to use Plaintiff's MOOMIN Trademarks in connection with the advertisement, distribution, offering for sale and sale of counterfeit products into the United States and Illinois over the Internet. Each Defendants' Internet Stores offer shipping to the United States, including Illinois and, on information and belief, each Defendant has offered to sell counterfeit products into the United States, including Illinois.

26. Defendants' use of Plaintiff's MOOMIN Trademarks in connection with the advertising, distribution, offering for sale and sale of counterfeit products, including the sale of counterfeit products into Illinois, is likely to cause and has caused confusion, mistake, and deception by and among consumers and is irreparably harming Plaintiff.

**COUNT I**  
**TRADEMARK INFRINGEMENT AND COUNTERFEITING (15 U.S.C. § 1114)**

27. Plaintiff repeats and incorporates by reference herein the allegations contained in paragraphs 1-26 of this Complaint.

28. This is a trademark infringement action against Defendants based on their unauthorized use in commerce of counterfeit imitations of Plaintiff's Trademarks in connection with the sale, offering for sale, distribution and/or advertising of infringing goods. Plaintiff's MOOMIN Trademarks are highly distinctive. Consumers have come to expect the highest quality from Plaintiff's products provided under its Trademarks.

29. Defendants have sold, offered to sell, marketed, distributed and advertised, and are still selling, offering to sell, marketing, distributing and advertising products in connection with Plaintiff's MOOMIN Trademarks without Plaintiff's permission.

30. Plaintiff licenses the use of the MOOMIN Trademarks (Exhibit 1). The United States Registrations for Plaintiff's MOOMIN Trademarks are in full force and effect. Upon

information and belief, Defendants have knowledge of Plaintiff's rights in their Trademarks and are willfully infringing and intentionally using Plaintiff's MOOMIN Trademarks on counterfeit products. Defendants' willful, intentional, and unauthorized use of Plaintiff's MOOMIN Trademarks are likely to cause and is causing confusion, mistake, and deception as to the origin and quality of the counterfeit products among the general public.

31. Defendants' activities constitute willful trademark infringement and counterfeiting under 15 U.S.C. §§ 1114, 1117.

32. The injuries and damages sustained by Plaintiff have been directly and proximately caused by Defendants' wrongful reproduction, use, advertisement, promotion, offering to sell and sale of counterfeit Plaintiff's products.

33. Plaintiff has no adequate remedy at law, and, if Defendants' actions are not enjoined, Plaintiff will continue to suffer irreparable harm to their reputation and the goodwill of its well-known Trademarks.

**COUNT II**  
**FALSE DESIGNATION OF ORIGIN (15 U.S.C. § 1125(a))**

34. Plaintiff repeats and incorporates by reference herein the allegations contained in paragraphs 1-33 of this Complaint.

35. Defendants' promotion, marketing, offering for sale and sale of counterfeit products have created and are creating a likelihood of confusion, mistake and deception among the general public as to the affiliation, connection or association with Plaintiff or the origin, sponsorship or approval of Defendants' counterfeit products by Plaintiff.

36. By using Plaintiff's MOOMIN Trademarks in connection with the sale of counterfeit products, Defendants create a false designation of origin and a misleading representation of fact as to the origin and sponsorship of the counterfeit products.

37. Defendants' conduct constitutes willful false designation of origin and misrepresentation of fact as to the origin and/or sponsorship of the counterfeit products to the general public under 15 U.S.C. §§ 1114, 1125.

38. Plaintiff has no adequate remedy at law, and, if Defendants' actions are not enjoined, Plaintiff will continue to suffer irreparable harm to its reputation and the goodwill of its brand.

**COUNT III  
VIOLATION OF ILLINOIS UNIFORM DECEPTIVE TRADE PRACTICES ACT  
(815 ILCS § 510/1, et seq.)**

39. Plaintiff repeats and incorporates by reference herein the allegations contained in paragraphs 1-38 of this Complaint.

40. Defendants have engaged in acts violating Illinois law including, but not limited to, passing off their counterfeit products as those of Plaintiff, causing likelihood of confusion and/or misunderstanding as to the source of its goods, causing likelihood of confusion and/or misunderstanding as to an affiliation, connection or association with genuine products, representing that their products have Plaintiff's approval when they do not and engaging in other conduct which creates likelihood of confusion or misunderstanding among the public.

41. The foregoing Defendants' acts constitute a willful violation of the Illinois Uniform Deceptive Trade Practices Act, 815 ILCS § 510/1 et seq.

42. Plaintiff has no adequate remedy at law, and Defendants' conduct has caused Plaintiff to suffer damage to its reputation and goodwill. Unless enjoined by the Court, Plaintiff will suffer future irreparable harm as a direct result of Defendants' unlawful activities.
